Broker Pre-licensing Course

Students are not required to have any formal educational background, but a high school diploma or equivalent is strongly recommended. The minimum age requirement for obtaining a real estate license in NC is 18. The school cannot report completion when the student does not have a license number.***

Superior School will not knowingly enroll any student in a postlicensing course if they do not have a real estate license. It is the student's responsibility to ensure they are licensed before enrolling and paying for a postlicensing course.

NOTE: Each student is required to use the **current** edition of *North Carolina Real Estate Principles and Practices* for the pre-licensing course and the **current** edition of the *NC Real Estate Manual* in each post-licensing course and the Commission's *License Law & Rule* booklet that is a required text for postlicensing course 303. **For onsite classes, Superior School requires students taking onsite courses to have a physical printed copy of these materials. The printed version of the pre-licensing textbook may be purchased directly from the School. The printed or online version of the *NC Real Estate Manual* may be purchased from the North Carolina Real Estate Commission (www.ncrec.gov).

SCHOOL INFORMATION

Laptop & Electronic Device Usage Policy:

Laptop computers and wireless electronic devices have become an integral part of modern life. While we offer some electronic access options, it is our highest priority to ensure that electronic devices and laptop computers are an enhancement and not a distraction to the classroom environment. The guidelines below provide a framework directing the use of laptop computers and electronic devices in our pre-licensing and post-licensing classrooms:

1. Postlicensing students will need to access the *North Carolina Real Estate Manual* in class by way of printed or digital manual.
2. We try to provide free Wi-Fi access at each of our licensing facilities; however, we cannot guarantee that Wi-Fi access will be available 100% of the time. Superior School does not and cannot guarantee internet access or free Wi-Fi at any facility.
3. It is within the discretion of the instructors to specify when laptops, cell phones, and electronic devices may be used and when they should be put away. Instructors have full authority to determine appropriate policies for use of electronic devices in classrooms.
4. Students who need to use a cell phone (phone call, texting, email, etc.) must do so at one of the course breaks outside of the classroom. All cell phones must be silenced during classtime.
5. The possession and use of laptops and wireless electronic devices is strictly prohibited during exams or quizzes unless the device is being used to take the exam or quiz and is being proctored.

We are not responsible for lost or stolen laptops or electronic devices.

Class schedules, registration information and forms, and general School information are available on our website at www.superiorschoolnc.com and upon request by phone, mail or e-mail.
