

GUIDELINES FOR COMPLETING THE EXCLUSIVE RIGHT TO SELL LISTING AGREEMENT (Vacant Lot/Land)
(Form No. 103)

INTRODUCTION: These guidelines are provided to assist an agent who is completing the Exclusive Right to Sell Listing Agreement (Vacant Lot/Land) (standard form 103) on behalf of the firm with which the agent is affiliated. The rules of the North Carolina Real Estate Commission require agreements for brokerage services in real estate transactions to be in writing, among other things. These guidelines include general comments about completion of the form as well as suggestions and explanations regarding several provisions with which agents sometimes have difficulty. However, situations will frequently arise that are not covered by these guidelines. Agents should always remember that the firm's broker-in-charge should be consulted if there is uncertainty regarding the proper completion of the form.

SE OF FORM: The form is produced by the North Carolina Association of REALTORS® for use by its members, only as printed. The form was developed for use by firms wishing to establish exclusive agency relationships with sellers who are interested in selling residential real property.

GENERAL INSTRUCTIONS:

1. Type this form if possible; otherwise print or write legibly in ink.
2. Fill in all blank spaces. If any space is not used, enter "N/A" or "None" as appropriate.
3. Be precise. Avoid the use of abbreviations, acronyms, jargon, and other terminology that may not be clearly understood.
4. Every change, addition or deletion to the agreement must be initialed and should be dated by both buyer and agent.
5. Both buyer and agent should initial those pages where indicated at the bottom in the spaces provided.
6. Advise the buyer to consult an attorney if they have any question about the legal consequences of the agreement or any particular provision.

NAMES OF SELLER AND FIRM: Fill in the complete name of each seller. If husband and wife, show the names of both (John A. Doe and wife, Mary B. Doe). Do not use "Mr. And Mrs. John A. Doe." Fill in the complete name of the agent's firm, NOT the agent's name, since the agreement is between the seller and the agent's firm.

In the majority of the situations, immediately upon death of the owner, the heirs or devisees under the will become the owner of the interest in the Property belonging to the deceased. All such heirs or devisees and their spouses should be named as Seller along with the executor or administrator (personal representative). **BEFORE INSERTING THE SELLER'S NAME, YOU SHOULD OBTAIN COMPETENT LEGAL ADVICE FROM AN NC ATTORNEY.**

SELLER REPRESENTATION (bold type immediately above paragraph 1): This section of the form contains two important representations by the seller. The first representation is set forth to assist the agent in discharging the ethical obligation imposed by Standard of Practice 16-9 of the *Code of Ethics* of the National Association of REALTORS®, which provides as follows: "REALTORS®, prior to entering into an agency agreement or other exclusive relationship, have an affirmative obligation to make reasonable efforts to determine whether the client is subject to a current, valid exclusive agreement to provide the same type of real estate service." The second representation relates to the agent's duty under the rules of the North Carolina Real Estate Commission to give the seller a copy of the "Working with Real Estate Agents" disclosure prescribed by the Commission and review it with the seller.

1. TERM OF AGREEMENT:

The rules of the NC Real Estate Commission require that any written agreement for brokerage services "shall provide for its existence for a definite period of time." Therefore, specific dates should be inserted in the blanks in subparagraphs 1(b) (if applicable) and 1(c). Although there is no rule which limits the period of time that the agreement can be in effect, the period of time should be reasonable, taking into account the period of time within which the objective of the agreement—the sale of and closing on the seller's property—can probably be accomplished. The Real Estate Commission rules also provide that an agreement for brokerage services cannot contain a provision that would require notice prior to termination. Although the form does not contain any such provision, agents are cautioned against inserting any "prior notice" or "automatic renewal" provision in the form.

Subparagraph 1(b). Check appropriate box whether the listing agreement will become effective when it is signed by the seller and Firm or upon the expiration of an existing listing agreement between the seller and another real estate firm. If the second box is checked, insert in the blank space the date that the other listing agreement expires.

Subparagraph 1(c). Insert the expiration date of the listing agreement between the seller and Firm in the blank space.

2. **REAL PROPERTY:** Fill in the Street Address (**NOT** the mailing address, which may be different from the street address). Also fill in the city, county and zip code. **CAUTION:** This information alone is generally not an adequate legal description.

Legal Description: Complete ALL applicable blanks.

- **Reference to a recorded plat (map):** Include the lot/unit #, block/section #, name of subdivision/condominium, and recording reference for the plat as recorded in the Register of Deeds office. **CAUTION:** A reference to a tax map alone is generally not an adequate legal description.
- **PIN/PID or other identification number:** Although helpful, reference to a **PIN/PID** alone is generally not an adequate legal description.
- **Other description:** A survey attached as an exhibit or an abbreviated description such as 10+/- acres at the northeasterly quadrant of the intersection of Route 41 and Jackson Boulevard may be helpful. A copy of the Seller's deed may be attached as an exhibit. Do not attempt to complete a metes and bound description as an exhibit. An attorney should be consulted if a metes and bounds description is necessary or if the information available is inadequate to clearly describe the Property.

Reference to a recorded deed: If known, insert the book number and page number of the Seller's deed as recorded in the office of the Register of Deeds office.

3. **LISTING PRICE:** Insert the list price for the Property and indicate what terms, including types of financing a buyer might seek, the Seller is willing to accept by checking the appropriate box(es).

4. **FIRM'S COMPENSATION:**

Subparagraph (a). Insert dollar amount, percentage of purchase price, or other method of determining Firm's fee.

Subparagraph (b). Insert in the blank in (b)(iii) the number of days for the Protection Period. This provision is designed to protect the Firm's entitlement to its Fee under certain circumstances following the expiration of the listing agreement. **NOTE: The Protection Period provision does NOT apply if the Seller enters into a valid listing agreement with another firm during the Protection Period.**

Subparagraph (e). An agent is required by the rules of the NC Real Estate Commission to fully and timely disclose to the agent's client the expected receipt of any compensation, incentive, bonus, rebate, or other consideration of more than nominal value from another party or person (e.g., a listing firm or seller). According to the rule, "full" disclosure includes a description of the compensation, incentive, bonus, rebate or other consideration, including its value. If compensation in addition to that described in the listing agreement is offered to the Firm for the sale of the Property, the additional compensation should be disclosed orally to the Seller then confirmed in writing before the Seller makes or accepts an offer to sell the Property. NCAR Form 770 was designed to satisfy the written confirmation requirement.

5. **COOPERATION WITH/COMPENSATION TO OTHER FIRMS:** Standard of Practice 1-12 of the REALTOR® Code of Ethics provides that "[w]hen entering into listing contracts, REALTORS® must advise sellers/landlords of the REALTOR®'s company policies regarding cooperation and the amount(s) of any compensation that will be offered to subagents [and] buyer/tenant agents..." Article 3 of the Code of Ethics provides that "REALTORS® shall cooperate with other brokers except when cooperation is not in the client's best interest. The obligation to cooperate does not include the obligation to share commissions, fees, or to otherwise compensate another broker." The firm should indicate whether it will cooperate with subagents and/or buyer agents by checking the appropriate box(es) and if so, the amount of compensation that will be offered should be inserted in the appropriate blank(s).

6. **FIRMS DUTIES:** Discuss with Seller each of the Firm duties described in Paragraph 6 and have Seller initial in the place provided at the end of Paragraph 6 to acknowledge that the Seller has been made aware of each Firm duty.

7. **MARKETING:**

(a) **Commencement of Marketing.** If marketing will commence on a date later than the Effective Date of the Agreement, check the box and insert the date that marketing will commence in the blank.

(b) **Marketing Authorization:** Seller must initial *either* "Public Marketing" or "Office Exclusive." If "Public Marketing" is selected, check all applicable boxes.

- Note that checking the "Open Houses" box *permits* the Firm to hold open houses at such times as the Firm and the Seller may agree but does not require that open houses be held.
- Also note that if the "Advertising Other Than On The Internet" box is checked, it does *not* constitute a blanket authorization to *other* firms to advertise the Property in non-Internet media. Other firms may engage in such advertising only to the extent that the Firm may permit.
- If "Coming Soon" Advertising is checked, also check whether a copy of any listing service restrictions and requirements pertaining to such advertising are or are not attached to the Listing Agreement, and the date that the status of the listing will be changed to "active."

- With respect to the “Internet Advertising” box, if the Seller desires to limit or prohibit such advertising, the Seller must complete a separate form confirming the extent to which such advertising will be limited or prohibited. NCAR Form #105 may be used for this purpose. As set out in Form #105, Sellers should be clear that prohibiting automated estimates of the market value of the Property and third-party comments about the Property on broker IDX and VOW web sites will NOT prevent those from appearing on “third-party” web sites such as Zillow, Trulia and Realtor.com.

(c) **Lock/Key Boxes:** Check the appropriate box to indicate whether Seller authorizes Firm to place lock/key boxes on the Property.

8. **EARNEST MONEY:** Check the appropriate box whether the Firm does or does not maintain a trust account.

9. **SELLER REPRESENTATIONS:** This paragraph contains numerous representations by the Seller. The listing agent should carefully go over each of these representations with the Seller. Note that the representations in subparagraphs (g) through (n) are made to the best of Seller’s knowledge.

Subparagraph (a). Check the applicable box disclosing how long the Seller has owned the Property or whether the Seller owns the Property at the time Seller executes the listing agreement. Seller’s term of ownership may affect a buyer’s ability to obtain mortgage financing. Some mortgage lenders require proof that the property is not being *flipped* from one purchaser at a lower price to another purchaser at a higher price within a short period of time.

Subparagraph (b). Check the appropriate boxes in subparagraphs (b)(1) and (b)(2). A bankruptcy proceeding may, but does not necessarily, affect the ability of the Seller to market and sell the Property without the permission of the bankruptcy trustee and/or the bankruptcy court. If the Seller is in bankruptcy or is contemplating bankruptcy, it is strongly recommended that the Firm seek competent legal advice prior to taking the listing.

Subparagraph (c). If legal access to a public right-of-way is by private road/easement, check appropriate box whether there is a road maintenance agreement, and obtain a copy of the agreement and/or other information from Seller if such an agreement exists.

Subparagraph (d). If there is a manufactured (mobile) home(s) on the Property that Seller intends to include as a part of the sale of the Property, insert the VIN(s) in the first blank, if known, or, if unknown, insert other description of manufactured (mobile) home(s) in “Other Description” blank.

Subparagraph (e). Check the appropriate box. If there is an owners’ association, the Offer to Purchase and Contract now *requires* the attachment of an Owners’ Association Disclosure and Addendum form (form 2A12-T) to the Contract. Therefore, the Seller should promptly complete the Addendum so that it may be made available to prospective buyers and their agents.

Subparagraph (f). Although not required, it is strongly recommended that the Seller be given a sample copy of the Offer to Purchase and Contract form at the time the listing agreement is entered into, as well as a sample copy of the Professional Services Disclosure and Election form (Standard form # 760). The check boxes in paragraph 12 should be checked to confirm that the Seller has been given copies of these documents.

Subparagraph (g). The appropriate box in BOTH sets of boxes (one set in the first sentence of this subparagraph and the other in the second sentence) should be checked based upon Seller’s instructions. A definition of the term “Special Flood Hazard Area” can be obtained from the website of the Federal Emergency Management Agency at www.fema.gov. Information about the state of North Carolina’s Floodplain Mapping Program is available online at www.ncfloodmaps.com.

Subparagraph (h)(1). Check the appropriate box in subparagraph (h)(1) whether the Property is subject to one or more deeds of trust or mortgages. If the Property is subject to one or more deeds of trust or mortgages, each such deed of trust or mortgage should be described by filling in the appropriate blanks in subparagraphs (j)(1)(i) through (j)(1)(iii).

Subparagraph (h)(2) through (h)(7). Seller is making five different representations in subparagraphs (h)(2) through (h)(6). These representations are to the best of Seller’s knowledge. Information about any representation which is not accurate should be inserted in the blank in subparagraph (h)(7).

In subparagraphs (h)(2) and (h)(3), the Seller is representing that Seller is current and not in default on any loans identified in subparagraph (h) (1).

In subparagraph (h)(4), the Seller is representing that there are no liens on the Property *and* that the Seller isn’t aware of any situation that may result in a lien being filed during the listing agreement. “Lien” is described in the NC Real Estate Commission’s North Carolina Real Estate Manual as “[a] charge, hold, or claim that one person has upon the property of another as a security for the payment of a debt.” Examples of liens include IRS tax liens for unpaid federal income taxes, owner association liens for unpaid dues, and materialmen’s liens for unpaid labor or materials for improvements to property.

In subparagraph (h)(5), the Seller is representing that there are no judgments affecting the Property *and* that the Seller isn’t aware of any situation that may result in such a judgment being filed during the listing agreement. “Judgment” is defined in the NC Real Estate Commission’s North Carolina Real Estate Manual as “[t]he decision...of a court of law...A properly docketed judgment declaring that one individual is indebted to another individual creates a lien on any real property owned by the judgment debtor.”

In subparagraph (h)(6), the Seller is representing that there are no UCC fixture filings affecting the Property *and* that the Seller isn't aware of any situation that may result in a fixture filing during the listing agreement. "Fixture filing" is defined in Article 9 of the Uniform Commercial Code as "the filing of a financing statement covering goods that are or are to become fixtures." For example, a fixture filing may be made by a company installing an HVAC system in a house when the owner will pay for the system over time. If the owner fails to make payments, the fixture filing would give the installing company specific rights with respect to the HVAC system.

Subparagraph (i). Check appropriate box whether the Property is subject to any lease(s), and if so, obtain a copy of the lease agreement(s) or a written statement of the terms of any oral lease. If the Property is managed by someone other than Seller, insert the manager's name and contact information in the blank space.

Subparagraph (j). See definitions of "Special Assessments" in Paragraph 1(n) of the Offer to Purchase and Contract (form 2-T). If Seller is aware of any Special Assessment that has been approved or is under consideration, describe the assessment in the blank.

10. SELLER'S DUTIES:

Subparagraph (e): Insert in the blank any circumstance of which Seller is aware that might prohibit Seller from conveying fee simple marketable title to the Property (known defect in the title to the Property, restrictive covenant violation, purchase price for Property possibly insufficient to pay costs of sale and Seller without sufficient liquid assets to cover such costs, etc.). The Short Sale Addendum to Exclusive Right to Sell Listing Agreement should be attached to the listing agreement if any sale of the Property may be a "short sale" as that term is defined in the Addendum.

Subparagraph (g): For Property for which a building or other permit has been issued, the Seller is required to appoint a Lien Agent subject to the following two (2) exceptions: No lien Agent need be appointed when (1) the anticipated cost of the project permitted is expected to be under \$30,000.00; or (2) if the improvements are made to a single family residence which is occupied by the Seller. The Designation of Lien Agent is made on the website LiensNC.com, where potential lien claimants may file a Notice to Lien Agent that they are providing labor, services, material or rental equipment to the Property for which a lien may be claimed if they are not paid. A Closing Attorney will search the website for notices and will require lien waivers from each potential lien claimant who has filed such a Notice. Therefore to prevent delays in Closing, a Seller and Seller's Agent should promptly furnish to the buyer, the buyer's Agent and the buyer's closing attorney a copy of any Appointment of Lien Agent made by or on behalf of Seller (which may be printed off the LiensNC.com website). If a Seller fails to comply with the statutory requirement to designate a Lien Agent, it may not be possible to obtain title insurance on the Property and complete Closing in accordance with any contract to sell the Property.

12. ADDITIONAL TERMS AND CONDITIONS: Additional terms and conditions may be added in this space if necessary. Identify each additional provision as (a), (b), etc. If any additional provision conflicts with another provision of the Agreement, clarify which provision is to govern. NOTE: Since the brokerage firm is a party to the Agreement, the drafting of additional provisions would not constitute the unauthorized practice of law. However, in order to insure that the contractual relationship between the Firm and the Seller is clear and unambiguous, great care should be taken in drafting any additional provisions.

13. DUAL AGENCY: A firm is not required to offer dual agency or designated dual agency to its clients. However, if the Firm does offer dual agency or designated dual agency, the listing agent should review subsections (a), (b), (c), and (d) with the Seller in order to help insure that any decision by the Seller to authorize dual agency or designated dual agency is an informed one. The Seller should indicate whether the Seller authorizes the firm to engage in dual agency if a buyer client of the Firm becomes interested in the Seller's Property by initialing either the "Dual Agency" or "Exclusive Representation" blanks in subsection (e). If the Seller authorizes dual agency, the Seller should also indicate whether the Seller authorizes the same individual agent to represent both the Seller and the buyer in a transaction by checking the appropriate box in subsection (e) under the "Dual Agency" authorization. Typically, this authority is given at the time the agency agreement is first completed.

If the Seller authorizes dual agency and the Firm also offers designated dual agency, the Seller should also initial the "Designated Dual Agency" blank in subsection (e) if the Seller authorizes the Firm to engage in designated dual agency. If the "Designated Dual Agency" blank is initialed, the Seller is authorizing *and directing* the Firm to engage in designated dual agency unless it would not be permitted by law due to the circumstances existing at the time of the transaction or the Seller authorizes the Firm in writing to remain in dual agency only. Typically, this authority and direction is given at the time the agency agreement is first completed. An individual broker may not be so designated and may not undertake to represent only the interests of one party if the broker has actually received confidential information concerning the other party in connection with the transaction. In addition, a broker-in-charge may not act as a designated broker for a party in a real estate sales transaction when a provisional broker under his or her supervision will act as a designated broker for another party with a competing interest.

16. ENTIRE AGREEMENT/CHANGES: All changes, additions, or deletions made to the Agreement after the Effective Date must be in writing and signed by both Seller and Firm. It is recommended that the Agency Agreement Renewal And/Or Amendment (Form 710) be used for this purpose.

SIGNATURES: All parties with an ownership interest must be named and sign as “Seller” (see “Names of Seller and Firm” on page 1 where owner is deceased). A married seller’s spouse should join in the execution of the listing agreement and any subsequent purchase agreement, even if the spouse is not a record owner of the Property. The non-owner spouse holds a potential “marital life estate” and a right to dissent from the will under North Carolina law and must sign the deed in order for the other spouse to convey clear title. The signature of the non-owner spouse on the contract will obligate that spouse to join in signing the deed. If the married Sellers have executed and recorded a pre-nuptial agreement, post-nuptial agreement, or a free trader agreement, consult a North Carolina Real Estate Attorney to determine who must sign.
